News Bulletin

SEE YOU IN FRANKFURT!

After the huge success of the Autopromotec show held in May in Bologna, where we had the possibility to meet many of our business partners and make numerous new connections which opened new roads, we are excited to be exhibiting for our very first time at **Automechanika Frankfurt**, from the 13th to the 17th of September.

You will be able to see with your own eyes our exhaust analyzers for any kind of vehicles, including our renown **Infragas** range of infrared gas analyzers for gasoline vehicles, our **OPA-105** range of opacimeters for diesel vehicles, and the brand new **PRT-121**, our particle counter to test the newest vehicles with DPF filters.

We also have in our range complete PTI test lines to test any kind of vehicles, from motorbikes to the largest trucks: brake testers, play detectors, suspension testers; you name it, we have it.

You are all invited to meet us at our stand in Hall 8.0, D 10!

Come see us in Frankfurt, Germany, **September 13th to 17th**, at
